About Chippewa Garden Club, Inc.

Formed in 1949, the goals of the founding members continue to be our same goals today:

- To cultivate beauty through gardening.
- To study the fine art of flower design.
- To aid in the protection of native plants and wildlife.
- To encourage civic beautification.
- To provide educational opportunities.

Chippewa Garden Club, Inc. is affiliated with National Garden Clubs Inc., a national organization of garden clubs that, through gardening activities and objectives, is making a world of difference in our environment.

Chippewa Garden Club, Inc. is a member of the:

- Garden Club of Ohio – Cleveland District
- Central Atlantic Region of State Garden Clubs, Inc.
- Holden Forests and Gardens (Cleveland Botanical Garden)

We expect our members to collaborate in support of our nonprofit organization by actively participating in flower shows, community service projects and contributing to our annual November design fundraising program by selling tickets, donating to the raffle and providing refreshments for the event.
