

The Chippewa Garden Club, Inc. invites you to join and enjoy the fellowship of others who share an interest in gardening. You will learn by doing and get hands on experience and encouragement from members.

The club encourages its members to support this nonprofit organization by actively participating in its flower shows, community service projects and fundraising programs.

Squire Rich Museum 2025

Cleveland Botanical Garden "Frost Show 2025"

Community Service Projects

Chippewa Garden Club, Inc. contributes to the community by:

- ❖ Providing Arbor Day education to select elementary schools and the community to celebrate Arbor Day and Earth Day.
- ❖ Donating funds to Garden Club of Ohio, Inc, toward scholarships for eligible students.
- ❖ Maintaining the herb garden at the Squire Rich Historical Museum in Brecksville.
- ❖ Providing garden and floral design related programs for children at the community library.
- ❖ Providing enrichment programs through nature for seniors at Broadview Heights Community Center.
- ❖ Staging a Flower Show biennially as a gift to the community, through which the public can learn and share in the enjoyment of gardening and floral design.
- ❖ Establishing and mentoring community and school gardens.

Chippewa Garden Club, Inc.

Since 1949, the goals of the founding members continue to be the same goals today:

“To cultivate beauty through gardening, to study the fine art of flower design, to aid in the protection of native plants and wildlife, to encourage civic beautification and to provide educational opportunities.”

CGC is a member of

**Garden Club of Ohio,
Cleveland District**

**Central Atlantic Region
of State Garden Clubs, Inc.**

National Garden Clubs, Inc.

Why Join a Local Garden Club

Make new friends – Garden clubs are social. Meet people who already share an interest with you.

Learn from experienced gardeners – You get tips, plant advice and troubleshooting help you won't just find by Googling.

Discover what grows locally- Programs presented at general meetings with experts' advice on local gardening challenges and techniques for cultivating, sustainable, and native plants.

Access to plant exchanges, seed swaps and unique resources not available to the public.

Showcasing horticultural specimens and floral designs allows for artistic expression, with opportunities to receive awards and recognition

Community involvement by members engaging in and supporting local projects, maintaining public gardens, planting trees and hosting educational workshops.
